N.B. Handy Company

Christopher Payne, RRC
Manager Technical Services – Roofing
N.B. Handy Company

This certificate serves as verification that above designated professional has received training and instruction in the proper installation of the Sentrigard® Metal Roofing System. The successful completion of training does not imply a warranty of workmanship, which is the responsibility of the installer. N.B. Handy and Sentrigard Metal Roofing Systems assume no responsibility for the installation work of individuals.
